

Alison Romney Eyring PhD is the founder and Chief Executive Officer of Organisation Solutions, a global consultancy working with leading multinationals to activate their strategies in high growth and emerging markets. Alison has worked for over 25 years in areas of large-scale organisation design & transformation and executive development. She has worked closely with global and regional leaders and their organisations, including Royal/Dutch Shell, BHP Billiton, Chubb Group of Companies, NEC, and Thomson Reuters. Alison has lived on 4 continents and has resided in Singapore since 1999. She serves as an Adjunct Associate Professor at the National University of Singapore's Business School and as Chair of the Board for the Asian Collaborative Organisation Research Network (ACORN). Her Ph.D. and M.A. are in Organisational Psychology.
